

*There is nothing- absolutely nothing- half so much
worth doing as simply messing about in boats.*

*In or out of 'em, it doesn't matter. Nothing seems really to matter, that's the
charm of it. Whether you get away, or whether you don't; whether you arrive at
your destination or whether you reach somewhere else, or whether you never get
anywhere at all, you're always busy, and you never do anything in particular;
and when you've done it there's always something else to do, and you can do it if
you like, but you'd much better not.*
