

Potter to Potter

NORTHERN CAL. W.W.P. NEWS NOVEMBER 1980

NEXT SAIL.....BENICIA, SUNDAY DEC. 7

Launch about 9:30 a. m. at the public launch ramp. Benicia has a good ramp with a dock, plenty of parking, and best of all, IT'S FREE! To get there, continue on 680 over the Benicia Bridge and head toward Vallejo. Take the Southampton exit and turn left at the stop sign. Continue on a little ways and after crossing an intersection, you will come to West K. St. Turn right, then go on to West 9th St. and turn right again, and Presto, you're there! If the weather is bad, (rain, etc.) forget it.....!

LAST MONTHS SAIL

Last months sail at Oakland was great! The best thing about it was the turnout. Sixteen! (count 'em) SIXTEEN Potters turned out! It looked like an invasion of Potters. These present were; #921:Nearing, #567:Adair, #564:Barrilleaux, #850:Butler, #512:Marsh, #797:Bergst, #821:Gotcher, #818:Wight, #438:Kunze, #773:Johe, #783:Richter, #661:Malik, #515:Ventaylor, #817:Bernreuter, #266:Simpson and #312:Graham. This was our best turnout ever, and despite light winds, everyone had a good time. It was quite a sight to see several Potters running down the Estuary, led by Bill and Joyce Wight and there colorful spinaker flying.

A SPECIAL SAIL

For those who would like to say, "Oh yes, I have gone out the Gate with my Potter", Sat. Dec. 13th, we plan a 9:30 launch at Fort Baker. We will ride the ebb tide out the Gate and return with the flood tide. This is expected to be an easy sail, but meters are advised. Baker Beach has a free launch ramp but no docks, so we will have to beach our boats on the shore line after launching. DIRECTIONS: From San Francisco, cross the Golden Gate Bridge and exit at Alexander. Go toward the Golden Gate Recreation Area and make a hard right down hill on Bunker Road. Weather conditions may cancel. We will not go in rain, heavy seas or winds. If in doubt, phone Jerry, Stan or De.

P.S. Sorry the newsletter is so late this month, but for the past few weeks, we've had quite a bout with the good ole flu bug.

Make him put it down this instant Doris. Toys
