HAPPY HOLIDAYS...

Last Event: December 5th, Quinn's Lighthouse Restaurant

It was a dark and stormy night, and the winds that came down from Alaska blew 60-80+ miles per hour. By morning the winds calmed to 15-20 mph and the rain turned to showers. About 2:00 pm the sky was partly cloudy and became a pleasant day. As you guessed it, no one showed up for the sail with their boat.

But wait! The commodore and Barbara Simpson met John and Anne Ockes at the restaurant and like the sail, no one else showed up. To further hamper our plans, the upstairs dining area was filled to capacity with naval personnel who were watching the army-navy football teams on the television.

After waiting a suitable time for others that may have come, we drove over to the Ark Restaurant, had a great lunch, and talked about what else?—Grandkids. A small amount of time was spent on club business. Future plans, if at all possible, will be made at the next event on New Year's Day.

From John and Barbara Simpson and on behalf of all the officers, may we all wish you of the fleet that spans from coast to coast, a very merry Christmas and a bright New Year in '88.

Next Event: January 1st, Brunch at Pete's Harbor Restaurant, Redwood City

We'll be meeting at the restaurant between 9:30-10:00 am for a late morning breakfast or midmorning brunch. This is an annual affair on New Year's day and it is always a great time to renew old friendships and meet new members. For those who get there early enough, free pin pizzas are provided as well as calendars with a San Francisco Bay tide chart.

Bring along a wrapped nautical gift(s) which does not have to be new and we'll have a drawing later over coffee. There will be some items from a chandlery if you forget to bring something. Also, bring along some of your pictures that you've taken during the year to share with the group.

Pete's Harbor Restaurant is located in Redwood City. Turn off from Route 101 at Whipple Avenue and drive east. Follow the frontage road around past the drive-in theater, past the marina and to the end of the road where you'll find the restaurant. Once inside, look for the reveling Potter-Yachters.

Season's Greetings

Merry Christmas
